

### 03 A Word

1.) Carry me away to nowhere  
Where my heart beats, where it lives  
On the wings that mean the whole world  
To the place the moment gives  
I'm searching for a word

2.) Everything will be or could be  
Passion's like a burnin' fire  
Love is tryin' to lead me to you  
Love is growing by desire  
I'm searching for a word

R.) It's a word, a question  
It takes you and it can  
*Ain't no word of love*  
Ain't no word of hope  
Just a simple when

3.) I feel it on my thirsty body  
Your fingertips upon my skin  
The eyes I see should tell me so much  
And there's a word that should have been  
I'm searching for a word
