

## 06 Since My Baby Left Me

1.) I can't eat and I can't sleep  
I can't lie and I can't leap  
I can't run and I can't hide  
I can't walk and I can't ride  
There's no future for me  
I can see since by baby left me

2.) I can't hope and I can't pray  
I can't drink and I can't sway  
I can't live and I can't die  
I can't laugh and I can't cry  
There's no future for me  
I can see since by baby left me

R.) I can't see no day and light  
I can't see no joy and pride  
I can't see no home sweet home  
I can't see no glimmer of hope  
And no future for me  
I can't see no baby since my baby left me
