

07 Dirty Cowshed Rubber Boot Song

1.) A song's on my lips - I whistle
When I'm puttin' on my rubber boots
I walk into the shed for mucking out the cowpat
Dancin' to the manure Blues
With a pitchfork in my hand
I pull furrows on my own land
I'm happy and I'm free
The sun is shining down on me

2.) My good old cow called Rosa
In my cowshed she's the number one
She is giving milk as fine and white as silk
She'd never leave me all alone
I can't describe my happiness
And every day I will confess:
I'm happy and I'm free
The sun is shining down on me

R.) I like to walk and sing along
My dirty cowshed rubber boot song
With Rosa in my arm and Woofy for alarm
I standing here and feel no fear

B2.) I can't describe my happiness
And every day I will confess:
I'm happy and I'm free
The sun is shining down on me
