

09 Gone

1.) I'm on the flight
I'm on the run
I must flee away from me
Since you are gone, baby
Now all is said and done
Oh, yes it is
You're gone, gone, gone, gone
Where's my baby gone?
Yes, my baby's gone

2.) Can't see no sky
Can't see no sun
Who can heal the way I feel
Since you are gone, baby
Now all is said and done
Oh, yes it is
You're gone, gone, gone, gone
Where's my baby gone?
Yes, my baby's gone

3.) My happiness
My joy and fun
It seems they hide from the light
Since you are gone, baby
Now all is said and done
Oh, yes it is
You're gone, gone, gone, gone
Where's my baby gone?
Yes, my baby's gone
