

## 12 Go Your Way

1.) You are tortured by your trouble  
And you suffer 'cause of pain  
If you lie you make it double  
That old same mistake again

2.) If you wanna face the sunshine  
You have to pull the clouds away  
The rays of sun will make you feel fine  
And clouds will never cross your way

B.) There's one rule inside you know  
That you have gotta go

R.) You gotta go go go go go  
Go your way, before it's too late  
Won't you throw throw throw throw throw  
Your life away, believe in your fate

3.) If a song is growin' inside you  
Just let it out and sing it loud  
Let your honest heart guide you  
Live your life, don't talk about
